At this time Dr. Smyth moved that we return to public session. This was seconded by Dr. Daniel. A poll vote was then taken. Dr. Daniel aye, Mrs. Villari aye, Dr. Smyth aye, Mr. Smyth aye, Mr. Kinzler aye and Mr. Cesaretti absent.

The minutes from February 1, February 8 and closed session minutes from February 1 and February 8 were then presented. Mayor Martin asked if there were any additions or corrections. Mr. Smyth asked that the following corrections be made to the February 1 minutes: Page 2 Under the discussion pertaining to the Telecommunications Tower, line 3, the amount should be \$15,000.00 annual revenue and not \$72,000.00. Under line 4 the wording should read \$35,000.00-\$40,000.00 in annual revenue with collators plus T-Mobile and not just annual revenue. Mr. Smyth also asked that the following correction be made to the February 8 minutes. Under Planning, Economic Development and Redevelopment, it should read Mr. Smyth and not Dr. Smyth. Mr. Smyth then moved that these minutes as corrected be approved. This was seconded by Dr. Smyth. A poll vote was then taken. Dr. Daniel aye, Mrs. Villari voted aye for the February 1 minutes and abstained from the February 8 minutes, Dr. Smyth aye, Mr. Smyth aye, Mr. Kinzler aye and Mr. Cesaretti absent. The Clerk stated that these corrections would be made prior to the minutes being posted on our website.

TREASURER'S REPORT, FINANCE REPORT AND BILL LIST FOR APPROVAL-Mr. Kinzler

Mr. Kinzler moved that the attached Treasurer's & Finance Committee Reports for the month of February be approved as submitted. This was seconded by Mr. Smyth. A poll vote was then taken. Dr. Daniel aye, Mrs. Villari aye, Dr. Smyth aye, Mr. Smyth aye, Mr. Kinzler aye and Mr. Cesaretti absent

EAGLE SCOUT PROJECT PRESENTATION BY RYAN WILMOT

Mr. Wilmot explained that the goal of this project is to make the area where the Pompeston Creek meets the Delaware River more accessible to the public for walking, canoeing, kayaking, and the enjoyment of nature, and to clean up trash and debris that litter the shore. After a short discussion, it was the consensus of Council to approve Mr. Wilmot's project.

RESOLUTION 40-06

**A RESOLUTION APPROVING THE EAGLE SCOUT PROJECT TO BE
COMPLETED BY RYAN WILMOT
(IN FULL IN RESOLUTION BOOK)**

The above Resolution was read by title only by Dr. Smyth, who moved for its adoption. This was seconded by Mrs. Villari. A poll vote was then taken. Dr. Daniel aye, Mrs. Villari aye, Dr. Smyth aye, Mr. Smyth aye, Mr. Kinzler aye and Mr. Cesaretti absent.

PUBLIC WORKS/SEWER-Mrs. Villari

Mrs. Villari reported that the Fulton Street construction project has started up again and they are ahead of schedule.

Regarding the Broad Street Enhancement Grant, Mrs. Villari reminded Council that a letter was sent to the Federal Highway Administration by Dante Guzzi, Associates requesting additional funding for this project. Mr. Guzzi informed Mrs. Villari that we would be given this funding to complete the project. Mrs. Villari stated that we are still waiting to see if we will be given additional funding for the construction management costs for this project. The Borough should be receiving written confirmation of this very shortly. After receipt of this, we will move forward and award the contract to the low bidder.

Mrs. Villari reported that we are still in need of having an Emergency Management Coordinator. Mrs. Villari reported that Public Works Manager, Scott Reed, has volunteered to attend the required Emergency Management meetings, while we are looking for a person to fill this position.

ZONING, CODE ENFORCEMENT & PARK & RECREATION-Dr. Smyth

Dr. Smyth reported that his committee is working on filling the Zoning/Code Enforcement Official's position. Council will be kept apprised of this situation.

PLANNING, ECONOMIC DEVELOPMENT & REDEVELOPMENT-Mr. Smyth

Mr. Smyth reported that the Planning Board is considering a site plan application from Zena's Bakery for an addition. Mr. Smyth reported that the Brandenberger/Sheridan site plan application for the development of the Nuway Shopping Center was approved. Mr. Smyth reported that the Master Plan is currently in the process of being re-examined and the sub-committee should be presenting the Board with a preliminary update by late April. Mr. Smyth reported that the Stormwater Management Plan was adopted by the Planning Board last year. Mr. Smyth met with the Business and Civic Association and discussed the Master Plan. They provided input regarding the economic section of the Plan. They also reviewed the calendar of events scheduled for this year. The first event will be Victorian Day, which is scheduled for June 17th. A letter is scheduled to be sent to every home in Riverton detailing all of the scheduled events and activities. Mr. Smyth reported that the artwork for the new 2006 Borough Directory was done by resident Michael Fosbenner.

Mr. Smyth reported that we have received a draft site specific redevelopment from Mr. Joseph Augustyn. Mr. Smyth stated that the two sites being considered in this plan are both the Nuway and Sitzler properties. Mr. Smyth stated that he has found out that if you establish a plan such as this, it opens doors for additional grants and better financing from the New Jersey Economic Development Agency. Mr. Smyth stated that Council needs to

do a Resolution that will authorize the Planning Board to review, discuss and prepare a site specific redevelopment plan for Council's consideration. A discussion then ensued with Council concurring with this.

RESOLUTION

A RESOLUTION AUTHORIZING THE RIVERTON BOROUGH PLANNING BOARD TO PREPARE A REDEVELOPMENT PLAN SPECIFIC TO BLOCK 1501, LOTS, 20, 21, 22, & 23; BLOCK 904, LOTS 2 & 3; BLOCK 905, LOT 6 & BLOCK 906, LOT 1

(IN FULL IN RESOLUTION BOOK)

The above Resolution was read by title only by Mr. Smyth, who moved for its adoption. This was seconded by Dr. Smyth. A poll vote was then taken. Dr. Daniel aye, Mrs. Villari aye, Dr. Smyth aye, Mr. Smyth aye, Mr. Kinzler aye and Mr. Cesaretti absent. **Update Re: Smart Growth Grant.** Mr. Smyth reported that Council had previously decided to do a traffic study to utilize these funds. Mr. Smyth reported that the Executive Director of the Office of Smart Growth did not concur. We have a proposal from the Office of Smart Growth to do a redevelopment feasibility study, which would also include traffic issues, pedestrian access to downtown, market assessments in town, etc. Mr. Smyth stated that Council would need to look at the scope of work provided. Council will be kept informed.

SHADE TREE, HUMAN SERVICES, ENVIRONMENTAL & COURT-Dr. Daniel

Dr. Daniel read a report for the month of February that was submitted by Welfare Director, Florence Klein. There were four clients on the rolls. Mrs. Klein attended the State Association Meeting in Middletown New Jersey on February 15th.

RESOLUTION 42-06

A RESOLUTION AUTHORIZING RENOVATIONS TO THE CINNAMINSON TOWNSHIP/RIVERTON BOROUGH COURT FACILITIES

(IN FULL IN RESOLUTION BOOK)

The above Resolution was read by title only by Dr. Daniel, who moved for its adoption. This was seconded by Dr. Smyth. A poll vote was then taken. Dr. Daniel aye, Mrs. Villari nay, Dr. Smyth aye, Mr. Smyth aye, Mr. Kinzler aye and Mr. Cesaretti absent.

Dr. Daniel reported that all critical Shade Tree work has been done in the park. The work on the Crepe Myrtles between Thomas and Linden will be completed by volunteers in the next couple of weeks. Dr. Daniel reported that there is a grading system for hazardous trees in Riverton. Those that require attention in the next 12 months total 10. Dr. Daniel reported that a number of townspeople have hired private contractors to do Borough level work on trees. A permit will be developed for those contractors. Dr. Daniel reported that there is a tree tour scheduled for April 29th. Information can be found on the Borough's website. Dr. Daniel reported that a 30 man team has been established to water the trees along River Road. Dr. Daniel reported that a volunteer serving on the Shade Tree Commission has a large watering tank that he may be able to give us for free. Dr. Daniel reported that all sink holes will all be filled in as soon as possible. Arbor Day is scheduled for April 27th at the Riverton School at 1:30pm. Barry Emens will be giving a lecture on the come-back of the American elm tree. Dr. Daniel reported that Riverton is celebrating its 18th year as Tree City, USA. Dr. Daniel reported that the average number of trees planted annually totals 30. The Shade Tree Commission is in the process on applying for another tree planting grant.

UPDATE RE: REASSESSMENT/REVALUATION OF ALL PROPERTIES IN RIVERTON-Mr. Kinzler announced that he had nothing new to report on this issue. He still needs to confer with our Tax Assessor. Council will be kept informed.

NEW BUSINESS

LINE REVIEW OF THE 2006 MUNICIPAL BUDGET (Robert Stewart, Auditor present) Mr. Kinzler reported that we beat our 2005 budget by \$223,000.00. This was largely due to favorable tax receipts versus what was budgeted. Mr. Kinzler reported that our fund balance is improving but not where we want it to be. We paid down \$312,000.00 of debt last year which leaves us with an outstanding debt balance of just under 2.3 million. Mr. Kinzler stated that he had distributed a draft budget to all members of Council last week. Some of the feedback received from some members of Council indicates that they would like to do a line by line budget item review. Mr. Kinzler asked our Auditor if the date for introducing our budget has changed. Mr. Stewart responded that while March 21st is the deadline, the State will not hold us to that. If we introduce a week or two later, that will be okay. Mr. Stewart commented that the word coming from the State indicates that we may see a cut in our state aid. Mr. Kinzler stated that Council approved an Ordinance to change the CAP percentage to 3.5%. Mr. Stewart stated that there are only three ways to increase this percentage. They are by having an additional revenue source such as sewer rent fees, appeal to the State for a CAP waiver or hold a referendum on the budget. Mrs. Villari stated that she thought Council would do what is typically done and that is to hold a special meeting on the budget. Mrs. Villari further stated that in the past we have always had a few of these. After a short discussion, it was the consensus of Council to hold a special meeting to review the 2006 municipal budget.

INTRODUCTION OF THE 2006 MUNICIPAL BUDGET This was placed on hold until after the special meeting.

RESOLUTION 43-06

A RESOLUTION AUTHORIZING THAT A SPECIAL MEETING OF THE BOROUGH COUNCIL BE HELD ON MARCH 27, 2006 (IN FULL IN RESOLUTION BOOK)

The above Resolution was read by title only by Dr. Smyth, who moved for its adoption. This was seconded by Mr. Smyth. A poll vote was then taken. Dr. Daniel aye, Mrs. Villari aye, Dr. Smyth aye, Mr. Smyth aye, Mr. Kinzler aye and Mr. Cesaretti absent.

ORDINANCE 3-06

AN ORDINANCE TO ESTABLISH STORMWATER MANAGEMENT REQUIREMENTS AND CONTROLS FOR MAJOR DEVELOPMENT (IN FULL IN ORDINANCE BOOK)

The above Ordinance was read by title only for the second time by Mrs. Villari, who moved for its adoption. This was seconded by Dr. Smyth. At this time Mayor Martin opened this portion of the meeting to the public for any comment on this ordinance. **Jim Brandenberger, 203 Thomas Avenue**, asked if his approved projects would be affected by this Ordinance. Mr. Gunn responded no, because Mr. Brandenberger's projects were approved before this ordinance was adopted. Mr. Gunn commented that this Ordinance will go to the County for their review and they may make some changes that we would have to consider. There being no further comment, Mayor Martin closed this portion of the meeting to the public. A poll vote was then taken. Dr. Daniel aye, Mrs. Villari aye, Dr. Smyth aye, Mr. Smyth aye, Mr. Kinzler aye and Mr. Cesaretti absent.

T-MOBILE PROPOSAL RE: INSTALLATION OF A TELECOMMUNICATIONS TOWER AT THE SEWER PLANT

Mr. Smyth provided detailed background information regarding the negotiating process for the public's benefit. Mr. Smyth stated that we are on a dual track with Cinnaminson Township for the possible placement of this tower in either municipality. Mr. Smyth stated that we are looking at a standard lease agreement with T-mobile as opposed to ownership by the Borough. Mr. Smyth stated that presently we are looking at \$1,400.00 per month in lease payments by T-Mobile that would escalate at 3% per year (initially for a five year period) and then be renewable after that. Mr. Smyth explained that that would mean \$16,800.00 a year the first year and then when you escalate that to five years, it generates \$90,000.00 by the end of the fifth year (cumulative) AJ Tegler, Leasing Manager for Site Acquisition Services and Douglas Cowan, Professional Planner and Independent

Consultant for T-Mobile were in attendance. Mr. Cowan stated that they visited the sewer plant site for the proposed tower. Preliminarily this is a feasible site. Mr. Cowan stated that we would need to stay back from the Delaware River approximately 100 feet or so due to state regulations. Another benefit of this site is that it is quite hidden from view. The initial tower for the T-Mobile antennas would be 120 feet high. The tower could be expanded to handle any additional carriers (collators). Mr. Tegler stated that T-Mobile would like to move on this issue as quickly as possible. They would like to have an agreement with Riverton by the end of March. Regarding the site visit Mr. Tegler stated that T-Mobile would float a balloon at the site. This is done to superimpose the tower as if it were up and running and take some pictures. Mr. Smyth commented that T-Mobile also has environmental studies that show the impact that towers would have on the population. Mr. Smyth suggested that Council do a Resolution to finalize an agreement with T-mobile. Mr. Gunn stated that a consensus of Council was all that is needed at this time. Council would have to review and approve by Resolution any final agreement.

Joseph Augustyn, 634 Elm Terrace has experience with these types of towers from work that he does as a Planner for other municipalities, in particular Medford Lakes. Mr. Augustyn reviewed aerial photos of the proposed site at the plant for Council's review.

JAMES MOFFATT, 202 FULTON STREET, asked for a clarification on the anticipated revenue from the tower during the first year. Mr. Smyth reviewed what he had previously stated. Mr. Moffatt also asked if this anticipated revenue could be figured into this year's budget. Mr. Kinzler stated that because this is an unknown, it depends on how aggressive we want to be with the budget. If we place the anticipated revenue in the budget and it doesn't happen, we would have a budget shortfall.

MARGARET WARK, 406 HOWARD STREET asked if we would have to wait until the situation is Cinnaminson is resolved before a tower would be placed here. Mr. Tegler stated no, it would be whichever municipality comes through first.

WILLIAM HARRIS, 502 CINNAMINSON STREET, asked if there are any environmental hazards, such as microwaves, dealing with these towers now or in the future. Mr. Cowan stated that they have experts that can bring more information and provide reports. Mr. Cowan stated that basically the answer is that no health hazards associated with this technology.

Mr. Smyth thanked both Mr. Tegler and Mr. Cowan for coming tonight. Council will be kept apprised of this situation.

DISCUSSION: CENTERS OF PLACE GRANT-JOSEPH AUGUSTYN FROM ALAIMO ASSOCIATES WILL BE PRESENT Mr. Augustyn stated that we have to decide how we want to spend this grant money. (60,000.00) Mr. Augustyn stated that the original grant identified three areas to improve. Mr. Augustyn suggested that we organize a group of residents, such as the members of the Architectural Review Committee to ask for their input and opinion before Council makes a final decision. It was the consensus to agree to this.

CORRESPONDENCE

4TH OF JULY UPDATE Mr. Villari reported that the cocktail party is scheduled for July 1. The committee is looking a raindate location.

RESIGNATION OF LAURIE VILLARI AS A MEMBER OF BOROUGH COUNCIL

Mrs. Villari read the attached letter of resignation from Borough Council. Her effective date of resignation is April 5, 2006. Mrs. Villari asked that Dr. Smyth take over Streets & Roads when she leaves office and to allow the new person to take over Park & Recreation. This suggestion was taken under advisement by Council.

Mr. Smyth announced that he will be attending various meetings such as shared services and the Annual property tax summit.

MEETING OPEN TO THE PUBLIC

GARY FORD, 311 BANK AVENUE, is concerned that with closed sessions being held at the beginning of the Council meetings, the public portion of the meetings don't

commence until 8:00pm He thinks this is entirely too late. Mr. Ford requested that Council consider go back to having their closed sessions at the end of the meeting. Mr. Ford requested that Council permit the public to comment earlier in the meeting.

Mr. Ford reported that the Riverton Business Association is having a meeting at the school on March 27th at 8:00pm. John Cain, Director of Economic Development of Collingswood will be a guest speaker. Mr. Ford stated that it is the intent of the Economic Development Committee to volunteer the formation of a newsletter for the Borough. It is anticipated that this would be done on a quarterly basis. The Committee anticipates that this would run around 3 to 4 hundred dollars an issue. Mr. Ford stated that these costs were not included in the committee's budget request to Council. Mr. Ford stated that if the monies were not available no newsletter would be done.

At this time Mr. Smyth suggested that we open the meeting twice to the public-once during the middle and again at the end. Mr. Smyth suggested moving any closed sessions to the end of the meeting. After a short discussion, it was the consensus of Council to agree with this.

Willam Harris, 502 Cinnaminson Street, informed Council that a grant for quiet zones has been submitted by Senator Lautenberg. Council will be kept apprised of this issue.

Joseph Augustyn, 634 Elm Terrace commented that he was glad to hear about the comeback of the American Elm tree. Mr. Augustyn stated that he was very sorry that Mrs. Villari is resigning. Mr. Augustyn stated that they worked together on many projects. Mr. Augustyn would like to see another woman fill her vacancy on Council.

Bob Bednarek, 714 Thomas Avenue and the President of the Historical Society of Riverton addressed Council. On behalf of the Society, Mr. Bednarek read a letter (on file with the Municipal Clerk) regarding the impending demolition of the structure at 4 Thomas Avenue by the new owner. The Historical Society would like to see this structure preserved and not demolished. They are urging Council to strengthen our Zoning Laws so that the demolition of historic properties becomes impossible or exceedingly difficult and time consuming to undertake. Mayor Martin asked if the Society would be presenting something to the Planning Board when they consider this demolition request. Mr. Bednarek responded that they would be doing that.

Jim Brandenberger, 203 Thomas Avenue, who will soon be the new owner of 4 Thomas Avenue, asked if an application for a demolition permit requires a formal application. Mr. Smyth stated that initially the ARC reviews the plans for demolition. They can make a recommendation to the Planning Board, who is the deciding body. Mr. Brandenberger asked if it would be the same detailed process as making an application for a major site or subdivision, where neighboring property owners are noticed. Mr. Smyth said he did not know, but he would confer with the Chair of the Planning Board on that. Dr. Smyth asked Mr. Brandenberger if he was looking at other locations to possibly place the structure. Mr. Brandenberger stated he was prepared to donate the structure to a site at the Nuway location (Fulton Street). Mr. Brandenberger stated that a structural engineer would have to make a determination on whether it could be moved or not. Mr. Brandenberger also stated that the costs involved with such a move would have to be considered. Mr. Brandenberger felt that the Historical Society would need to look into all of the requirements

Delores DeFreitas, 415 Thomas Avenue stated that it is possible that the Ruff house was not built at its present location. She believes it may have been moved there to serve as a playhouse to one of the houses on the riverbank. Mrs. DeFreitas believes that the middle piece of the house is the only portion that has any historical value. She stated that a large piece of furniture was recently removed from the house and found that there is a space between the floor and the beginning of the wall. When you talk about moving this house, you need to take the structural integrity into consideration as well as the costs.

William Harris, 502 Cinnaminson Street, brought up the Phillips property on Main Street which was demolished a number of years ago. Mr. Harris stated he had had this property as a real estate listing and had two buyers interested in purchasing it... Mr. Harris believes that the son of the owner conspired with the owners of the property next door and

eliminated him from the process. Mr. Harris believes the son had control over the mother and father.

Gary Ford, 311 Bank Avenue, expressed concern over the deterioration of the property located at 423 Lippincott Avenue. Mr. Ford asked if we had any power or influence to address this situation. Mr. Gunn stated that it was a question of whether this property was in violation of our housing code. Mr. Gunn stated that the County Board of Health could be contacted on this issue. Our Construction Official, Edward Schaefer could also be contacted. Mr. Gunn reminded Council that the Borough does not have a Property Maintenance Code.

TELECOMMUNICATIONS ISSUE

Mr. Gunn stated that he has reviewed the statutes pertaining to local land and buildings law and it references a bidding requirement. Mr. Gunn recommended that Council authorize that we go out for sealed bids for the installation of a telecommunications tower in the Borough. Mr. Gunn believes we should err on the side of caution. It was the consensus of Council to agree to this.

RESOLUTION 44-06

A RESOLUTION AUTHORIZING THE BOROUGH CLERK TO ADVERTISE FOR BIDS FOR THE LEASE OF BOROUGH PROPERTY FOR PLACEMENT OF A TELECOMMUNICATIONS FACILITY (IN FULL IN RESOLUTION BOOK)

The above Resolution was read by title only by Mr. Smyth, who moved for its adoption. This was seconded by Mr. Kinzler. A poll vote was then taken. Dr. Daniel absent, Mrs. Villari aye, Dr. Smyth aye, Mr. Smyth aye, Mr. Kinzler aye and Mr. Cesaretti absent.

There being no further business to discuss, Dr. Smyth moved that the meeting be adjourned. This was seconded by Mrs. Villari, with all present voting in the affirmative.

Mary Longbottom, RMC
Municipal Clerk

Riverton Borough Council
505 A. Howard Street
Riverton, NJ 08077

Dear Riverton Borough Council:

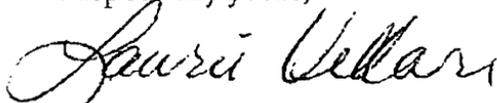

Dedicating myself to carry out my responsibilities involved in this job has become meaningless. There are many factors that led my decision to resign. I feel that for the first time serving this year, there is a major communication dilemma. It is between the Council as a whole, and its valued Employee's. I also feel the Employee's and I have been questioned and doubted in our areas of performance, our integrity to do what's right, and have been made to feel like we can't be trusted. There have been decisions made that typically should require the input of a whole Council to conclude and vote on. In my opinion, this information is not being exchanged amongst the Governing body in the proper manner.

Yes, I'm angry and disappointed at the lack of respect and unnecessary comments I have endured. More importantly, the thought of compromising services in this town is absurd and a long term mistake. The effects of the Police Department's involvement at the school and on the street with our children, is priceless. This program has made Riverton a very unique and great place to live. These programs and child interaction has changed the attitude of the Riverton children. My own teenager wouldn't think twice to disrespect me, but would never disrespect these chosen officers who they look for acceptance and friendship.

Furthermore, I'm trying to figure out why some people take the time to change Riverton in a day, without taking the time to really get to know & understand who is responsible for making Riverton a special place. We can all compare salaries across the county & state for our Employee's, but never has anyone ever considered comparing the people who collect these salaries, and question their work ethic history?

This serves as my letter of resignation.

Respectfully yours,

Laurie Villari
