1	Create a park experience along the creek similar to Boundary Creek Park in Delran, NJ. A dog park might be a nice addition too.	3/28/2018 12:15 PM
2	No	3/13/2018 8:11 PM
3	Encourage cycling installing more bikes Install trash and recycling bins Encouraging composting Limit use of leaf blowers to save energy and sound pollution Water conservation initiatives: right time to water etc	3/12/2018 7:22 PM
4	Recycling requirements, maintain open space, sidewalk maintenance	3/12/2018 4:49 PM
5	Might be a good idea to look into options and make sure we are doing all we can to preserve what we have. Not sure what is already in place, and what is available as options.	3/12/2018 1:58 PM
6	Perhaps rethink the dog park plan - it's a nice idea, but is also a very narrow use of the town's very small only park. And dog parks can be environmentally questionable - this one would be very small, and small dog parks are difficult to keep clean.	3/12/2018 1:47 PM
7	Investigate the ability to recycle rigid plastic like kids toys, buckets, etc	3/12/2018 10:19 AM
8	They should protect the open space and environment by restricting new development on small land plots. It appears that any small vacant space available people are getting variances provided to build large homes, which is not protecting the environment.	3/11/2018 10:52 PM
9	Keep everything as it is	3/11/2018 1:24 PM
10	Maintain and clean. the area of the park near the creek.	3/5/2018 9:38 AM
11	Ban the use of plastic straws at food establishments, or give incentive to use green materials	3/3/2018 10:21 PM
12	I for one would really like to see a business succeed in the parking lot joined by CVS. Talks of a local brewery would be perfect for a nice small community like this.	3/2/2018 10:36 AM
13	Committing to only buying green energy for all municipal uses. Actually listen to residents' survey create some new walking paths in the parks.	2/27/2018 11:41 PM
14	Single stream trash and recycling.	2/27/2018 11:33 PM
15	More walking trails would be nice.	2/27/2018 2:12 PM
16	We should restore the trail along Pompeston Creek and consider extending it all the way to the trail behind Cinnaminson High School.	2/27/2018 2:00 PM
17	Nothing. Protect open space from development.	2/26/2018 6:22 PM
18	Monitor the littering problem at the River.	2/26/2018 4:11 PM
19	Improve the park.	2/26/2018 1:10 PM
20	More aggressively promote environmental awareness by providing more information to the public on recycling, allocate funding to the Environmental Commission so they can create educational opportunities for students and residents.	2/26/2018 12:36 PM
21	No.	2/26/2018 12:07 PM
22	Close off Bank Ave to vehicle traffic	2/22/2018 5:14 PM
23	Plan carefully	2/22/2018 2:31 PM
24	River clean up. Creek clean up	2/22/2018 10:18 AM
25	More aesthetically pleasing ltrash cans	2/21/2018 8:30 PM

26	Corteous zoning for residents with potential new brewery	2/21/2018 6:54 PM
27	Keep it open space open! Replace trees that have been removed.	2/21/2018 5:34 PM
28	Signage to make people aware of certain areas. Having a short term and long term plan for upkeep and and ongoing projects.	2/21/2018 3:44 PM
29	It would be great if the town could eventually get ownership of the National Casein plot between the creek and the CVS. That land could be a very nice public resource.	2/21/2018 2:03 PM
30	Raise the fines for litterbugs.	2/21/2018 12:31 PM
31	-	2/21/2018 11:40 AM
32	Further designation of water front areas as protected community areas.	2/21/2018 10:09 AM
33	No	2/21/2018 2:04 AM
34	Enforcing laws and ordinances pertaining to teenagers.	2/21/2018 1:11 AM
35	None	2/21/2018 12:01 AM
36	Town sponsored or grant supported creek and river cleanups could help raise community awareness	2/20/2018 11:52 PM
37	Continuing to regularly clean the riverfront of garbage.	2/20/2018 9:09 PM
38	Save and protect as much space as possible. Keep the tree planting program.	2/20/2018 9:06 PM
39	-	2/20/2018 7:34 PM
40	River clean ups to pick up trash. Maybe add another bench area along the river for public use.	2/20/2018 7:25 PM
41	use the storage shed at Riverton Park as a concession stand which will make money for the sports teams	2/20/2018 6:58 PM
42	Protect Pompeston Creek	2/20/2018 6:52 PM
43	Add more playing fields.	2/20/2018 6:50 PM
44	Keep what we have.	2/20/2018 5:26 PM
45	Regular trash clean up along the creek & river.	2/20/2018 5:16 PM
46	I am sure it has been discussed many times but purchasing the National Casein land and developing a park there would be great for the Town	2/20/2018 5:06 PM
47	Where can people FIND existing policies or actions?	2/20/2018 5:02 PM
48	clean up the creek	2/20/2018 4:52 PM
49	Ban the train	2/20/2018 4:28 PM
50	Yes, we should not be adding homes to the area	2/20/2018 3:49 PM
51	education and awareness around water usage and quality, light pollution, air quality, recycling and upcycling. Work with local businesses for to model best practice behaviors around recycling and eco-disposables. Education around outdoor chemical usage like pesticides and herbicides. Pocket Parks and opportunities to keep open and green space block by block. Awareness about living with wildlife. Working with Cinnaminson to preserve the Pompeston Creek and Pennsauken Creek. River shore clean up.	2/20/2018 3:07 PM

Q2 How can Riverton improve its parks and recreational activities?

Answered: 61 Skipped: 47

#	RESPONSES	DATE
1	Add a dog park in the town	3/28/2018 12:12 PM
2	Maintain in better condition Especially playground equipment	3/12/2018 7:22 PM
3	Dog park,	3/12/2018 4:49 PM
4	Could use better picnic facilities and seating. Maybe a simple pavilion for added shade, and some more trees. A lot of the existing trees are on there way out and we need to have a head start on replacing them. There is not enough shade in the area surrounding the playground and seating that is there now. It is not a comfortable place for parents to watch there kids, or a nice place for a picnic lunch or birthday party. The seating is lacking and what is there is usually in the sun. Also a working water fountain and bike racks by the playground, a lot of kids ride there.	3/12/2018 1:58 PM
5	Repair and improve the parking area near the playground at the park - the parking surface is poor, and the sidewalk and area nearby (on the side of the apartments) are run down. Removal of the widespread poison ivy growing down the hill between the playground section and the creek would make that area more inviting for walking.	3/12/2018 1:47 PM
6	Playground equipment needs to be improved.	3/12/2018 10:19 AM
7	Lights for night sports practices	3/11/2018 1:24 PM
8	I strongly support the addition of a dog park.	3/5/2018 9:38 AM
9	Have more community events like the 4th of July and the Palmyra Farmer's Market at the band shell	3/3/2018 10:21 PM
10	Bring the fireworks back? :)	3/2/2018 10:36 AM
11	Listen to the survey that has already been completed about residents' preferences, not just endless sports improvements. The top thing asked for was a walking path around Riverton Park.	2/27/2018 11:41 PM
12	A walking path around the park and a designated walkway along Bank Ave.	2/27/2018 11:33 PM
13	More updated play equipment; more/better picnic area; 4th of July fireworks?	2/27/2018 2:12 PM
14	Yes. We can do more with our riverfront. We should also consider a "shore path" with a foot bridge across Pompeston Creek.	2/27/2018 2:00 PM
15	Perhaps encourage walking at the park and exercise programs	2/26/2018 4:11 PM
16	I don't have a dog, but I think it would be good for the borough. It would encourage new relationships and encourage centralized activity.	2/26/2018 1:10 PM
17	Improve the walk trails along the Pompeston Creek and provide a kayak/canoe launch on the Pompeston.	2/26/2018 12:36 PM
18	It would be great to see more activities offered through parks and rec; i.e., community activities, summer rec/camp-type activities, etc. Would love if Riverton considered participating in the Great American Campout or something of that nature.	2/26/2018 12:07 PM
19	add dog park	2/22/2018 5:14 PM
20	Dog park to keep pet waste out of main park areas Patio area for family gathering multi-use court for playing many different games	2/22/2018 2:31 PM
21	Dog park	2/22/2018 1:46 PM
22	Trails @ Riverton Park	2/22/2018 10:37 AM
23	I think the dog park at Riverton Park is a great idea.	2/22/2018 10:19 AM
24	dog park. Nature trail with historical markers and exercise equipment	2/22/2018 10:18 AM
25	Allocate space for a dog park	2/22/2018 9:48 AM

Riverton Borough Community Planning Study

26	I am pro dog park. I would like to see better co-operation from the borough with the community.	2/22/2018 8:23 AM
27	Dog park would be great	2/21/2018 8:30 PM
28	Dog park would be wonderful. It would make it easier to enforce leash laws & give our four legged friends a place to play	2/21/2018 6:54 PM
29	Not sure	2/21/2018 5:34 PM
30	Add a dog park. Utilize the shed area better. Landscape and add benches to basketball and tennis area. Create a fitness walk around the perimeter. Pave the parking area.	2/21/2018 3:44 PM
31	We would love to see parks in the publicly-owned spaces at the ends of the roads leading down to the river. The one at Bank and Linden is nice when the weather is cooler, but not shady enough to sit for long during sunny days. Some of these spots have tree cover or steeper banks, which could lead to some interesting designs (e.g., terraces). One idea would be to conduct a design competition for these spots (through local landscape design firms, or architecture/landscape architecture schools, or open to the public), and provide the winners with some recognition - e.g., a small sign indicating the name/firm of the designer. Perhaps a competition could spur local residents to chip in to help to fund these improvements.	2/21/2018 2:03 PM
32	Allow adults to drink wine and beer in the parks.	2/21/2018 12:31 PM
33	-	2/21/2018 11:40 AM
34	Dog park needs to happen, and we need the Borough to fully support this. This is a legitimate community "amenity" that will attract dog-owning prospective home buyers to Riverton. It is also a great way for people in the community to meet.	2/21/2018 10:09 AM
35	Hold a winter festival.	2/21/2018 2:04 AM
36	Police officer awareness.	2/21/2018 1:11 AM
37	Add the dog park and a paved jogging/walking/bike path around Riverton Park.	2/21/2018 12:01 AM
38	With all of the great work that has been completed at the memorial park it is time to upgrade the playground area. Equipment, picnic tables and shade are the primary deficiencies. Addition of a small picnic shelter for shade as well as additional trees. Both memorial park playground area and the Linden pocket park are in need of bike racks. Riverton is a very pedestrian community yet in some cases not pedestrian/cycling friendly.	2/20/2018 11:52 PM
39	A crushed gravel pathway around Memorial Park would be wonderful.	2/20/2018 10:54 PM
40	Food truck event. Flea market.	2/20/2018 10:11 PM
41	Dog park please! I would also love to see a set of lights on the tennis courts that can be activated by some kind of code, perhaps on your tax form? A timed set would be ideal!	2/20/2018 9:09 PM
42	Add a dog park.	2/20/2018 9:06 PM
43	Lighting at Riverton Memorial Park	2/20/2018 8:57 PM
44	Create better markings for public spaces near the river	2/20/2018 7:34 PM
45	I really like the historical sign by the yacht club, so maybe more of those.	2/20/2018 7:25 PM
46	approve the dog park	2/20/2018 6:58 PM
47	Better maintenance of bathrooms. Perhaps organize some overnight camp outs in tents during the summer for kids. Similar to backyard camping.	2/20/2018 6:52 PM
48	It would be nice to have some kind of a community center or something where kids young and teens would have something constructive to do rather than hang out outside local business's in the evening. Keeps them out of trouble and brings the community together.	2/20/2018 6:51 PM
49	Add a dog park	2/20/2018 6:50 PM
50	Please consider ways to activate the Delaware waterfront. Its a shame there is no launching area to safely and effectively launch kayaks and paddleboards from a street end. Another consideration would be to obtain grants to either purchase or otherwise acquire a portion of the waterfront along Bank. Add lights to Riverton Park for reasonable after dark hours. There's no reason that our kids and adults should have to leave town to use fields after dark.	2/20/2018 5:44 PM
51	I'm sure it would be an undertaking but possibly developing some of the trails and areas behind/around the park would be great. If possible and feasible.	2/20/2018 5:26 PM

52	More shade trees, benches, bleachers.	2/20/2018 5:16 PM
53	i think we are on the right path	2/20/2018 5:06 PM
54	Community Involvement. Several events a year.	2/20/2018 5:02 PM
55	Actually put signs up at the different parks. A bench is not a sign for a park	2/20/2018 4:28 PM
56	Take back the riverbank land.	2/20/2018 4:22 PM
57	One event a month at Riverton Park that is family oriented. For example, movies in the park	2/20/2018 4:18 PM
58	It would be nice to have lights at the park, but I know that it would be very expensive to do. Also, a snack stand at the grandstand or somewhere near the fields would be nice if it was possible.	2/20/2018 4:11 PM
59	Keep out non residents who destroy, vandalize, and trash the park	2/20/2018 3:49 PM
60	we can continue to keep the parks cleaned and updated	2/20/2018 3:49 PM
61	a series of educational/historical signage to bring context to our land... (Dreer's Nursery history, native flora and fauna, stream life... perhaps kayak/canoe access to the Pompeston. More pocket parks on the river at the ends of streets... add one a year.	2/20/2018 3:07 PM

Q3 What type or environmentally-friendly recreational activities would you like to see in Riverton?

5	River clean ups and groups to teach kids about the environment up close	3/3/2018 10:21 PM
6	Safe pedestrian crossing at Thomas and Broad. (Walking)	3/2/2018 10:10 PM
7	What does that mean?	2/27/2018 11:41 PM
8	N/a	2/27/2018 11:33 PM
9	More trails.	2/27/2018 2:00 PM
10	Group walks/runs for different age groups	2/26/2018 4:11 PM
11	Encourage the use of the Pompeston for canoe/kayak and walking	2/26/2018 12:36 PM
12	Nothing specific, other than continuing community clean-ups of riverbank and the park.	2/26/2018 12:07 PM
13	Dog park to keep pet waste out of main park areas Patio area for family gathering multi-use court for playing many different games	2/22/2018 2:31 PM
14	Improvements to trails at Riverton Park	2/22/2018 10:37 AM
15	clean up- litter and waterways	2/22/2018 10:18 AM
16	The community of dog lovers would be a great addition to the park. It is a pure community building activity.	2/22/2018 8:23 AM
17	Running/walking track around the park perimeter	2/21/2018 6:54 PM
18	Plant swap	2/21/2018 5:34 PM

25	None	2/21/2018 12:01 AM
26	Community sponsored kayaking or sailing events. These could offer recreation and help raise awareness of our riverbank. Perhaps the addition of a kayak launch to the rear of the public works property on the parcel owner by National Casien. Riverton has a cycling heritage. The town could help promote the Historic Riverton Criterium race as well as add signage redirecting the planned heritage cycling trail to Bank Ave instead of Broad St	2/20/2018 11:52 PM
27	Canoe races	2/20/2018 10:11 PM
28	Riverbank clean-up	2/20/2018 9:06 PM

2	Excessive speed	3/12/2018 4:50 PM
3	Traffic on the stretch between Broad Street and the town line with Cinnaminson seems to have gotten heavier and faster overall in the past 10 years. Police on 8th street seem to help, which I appreciate, but I'm not a fan of the apparently permanent speed sign on that stretch. It's better than an accident, but it is visually jarring.	3/12/2018 1:58 PM
4	Speeding is an issue (like many streets in town). Pedestrian crossing is difficult at cars rarely stop.	3/12/2018 10:22 AM

1	Crossing at Thomas Ave is laughable. Cars never stop.	3/28/2018 12:16 PM
2	Crossing Broad Street can be difficult and stressful especially with small children. It would be helpful to have 1-2 walk lights available (for example at the corner of Thomas and Broad).	3/28/2018 12:14 PM
3	Hard to see walkers crossing broad st at cross walks	3/13/2018 8:12 PM
4	Generally speed, impossible to cross road: railroad tracks, failure of traffic to yield to pedestrians. Badly lit crosswalks at night do not allow for pedestrians to be seen. Aggressive drivers pass when slowing to turn into streets into oncoming traffic, or if one vehicle is waiting for pedestrians cars speed pass stopped traffic	3/12/2018 7:26 PM
5	Just the usual with pedestrian lights, I know that's still an ongoing endeavor.....	3/12/2018 2:00 PM
6	Maybe not a concern, but a comment. The area near the park and CVS is a lot going on at once - a pedestrian crosswalk, a turn lane, the turn onto Fulton, the driveway for CVS.	3/12/2018 1:58 PM
7	Push buttons to stop traffic at the crosswalks are a must!! Very difficult and dangerous for an adult to cross; most parent will only allow their children to cross at the light at Main Street.	3/12/2018 10:22 AM
8	Crosswalks are unsafe for pradestrians	3/11/2018 6:46 PM
9	Speeding - coming into town from cinnaminson	3/11/2018 1:31 PM
10	Cedar and Broad - warning time for oncoming train should be longer.	3/5/2018 9:41 AM
11	I would like to see traffic lines kept up. They wear out and look crappy.	3/5/2018 9:35 AM
12	The lights and poles that come down for the train often do not work. I now have to be extra careful even when there is a green light to make sure the train isn't actually coming	3/3/2018 10:25 PM
13	Pedestrian crossing at Thomas is heavily used as a crossing point. Cars do not stop. The light on broad was blinking red for a week many cars still did not stop. A push button triggering the light is needed since drivers disregard pedestrians and/or are confused by blinking yellow. The lights change but not for ped's. I understand some driver confusion since The lights do change but not all. Drivers stop for the solid red when gates are going down. Less than 10% stop for pedestrians.	3/2/2018 10:19 PM

14	People drive too fast through town.	2/27/2018 11:34 PM
15	Cars rarely stop for pedestrians all along Broad Street. It's difficult for pedestrians to cross.	2/27/2018 2:14 PM
16	Most cars do not even attempt to stop for pedestrians. Some drivers seem like they would rather kill us. We should consider devices that would make Broad Street crossing more pedestrian friendly.	2/27/2018 2:02 PM
17	Reduce the speed limit 25 mph. This will allow trains to pass without sounding their horn's which are very disruptive to the residence.	2/26/2018 6:24 PM
18	excessive speed entering town from E. Riverton	2/26/2018 6:20 PM
19	Cars attempting to beat the gates closing for the light rail	2/26/2018 4:13 PM
20	Occasionally speed, and crossings at Cedar and Thomas	2/26/2018 12:37 PM
21	Cars continuing to ignore pedestrians in the crosswalks.	2/26/2018 12:09 PM
22	People turning issues - not obeying laws	2/22/2018 2:32 PM
23	I think that some form of signage should be put up to notify drivers that they are required to stop for pedestrians. The Current NJ Pedestrian law does not apply to intersections with traffic lights. This doesn't include our flashing yellow, but the confusion is understandable and shouldnt be fixed by tickets	2/22/2018 10:40 AM
24	impossible to cross streets. Need push buttons and traffic slowing measures	2/22/2018 10:19 AM
25	I appreciate the pedestrian crosswalks that were painted, but virtually no cars stop for people standing in them. Could you install a button that the pedestrian could push to activate a flashing light so cars would remember that they are supposed to stop?	2/22/2018 9:50 AM
26	Crossing from the cvs to the park	2/22/2018 8:23 AM

34	Increase speed limit to 35 mph.	2/21/2018 11:42 AM
35	intersection of main and broad has odd turn signals which leads to back up. also, pedestrian crossing timing takes a long time.	2/21/2018 10:13 AM

37	Elm just off of Broad towards the river, parked vehicle are making it tough for traffic when multiple vehicles are stopped on Elm	2/21/2018 2:06 AM
38	Excessive congestion while train is present.	2/21/2018 1:14 AM
39	There needs to be button-activated crosswalk signals and pedestrian right-of-way signs at all intersections with Broad St.	2/21/2018 12:05 AM
40	Lack of well marked and controlled pedestrian intersections. Riverton is a very pedestrian community and is not very pedestrian friendly. This has been an on going issues at Elm, Thomas and Cedar St. It is time to get some State or legal assistance and make these crossings safe.	2/21/2018 12:03 AM

45	Please put in buttons that turn the traffic lights red so that kids on bikes and pedestrians can safely cross the street. Right now, we have to rely on the kindness of the driver to let us cross. It's not safe.	2/20/2018 9:10 PM

5	Riverton has a walkable, beautiful downtown but there are multiple small businesses in town which have little to no street appeal. Some are just disconnected from their location (Outlaw Fitness) and some are awkwardly set off (the tea room), and obviously not all are really set up for browsing, but Riverton is definitely missing an element of "Let's take a walk, look in some store windows" missing now that used to exist.	3/12/2018 2:18 PM

15	Some of the properties look old and/or run down. Even just a coat of paint would make them look better and more inviting. If signs were more consistent, that would make a better impression as well.	2/27/2018 2:19 PM

34	Please bring the brewery and a butcher to Riverton.	2/21/2018 2:06 AM
35	Several thoughts- the majority of the center of town businesses could share a common paint scheme giving it that the appearance that it is a central area. Most are dated and in my opinion appear cheaply done. This couples with there are Christmas lights hanging on several properties in the center of town all year round only adds to these properties looking trashy.	2/21/2018 12:26 AM

Q9 What can Riverton do to improve the business climate in town?

Answered: 65 Skipped: 43

#	RESPONSES	DATE
1	Brewery and/or a chain coffee place - starbucks, peets, le pain quotien, etc. We need businesses that people are willing to drive too. I believe the town would get behind a local watering hole - visit Evil Genius Brewing or Yards Brewing in Philly. They are family-friendly and attract a young & old crowd.	3/28/2018 12:20 PM
2	Continue to pursue getting a brewery! Focus on business that will attract young families.	3/28/2018 12:19 PM
3	A restaurant open for dinner with a liquor license.	3/13/2018 8:12 PM
4	Rents for small businesses are a big budget item. If they are too expensive no business will succeed.	3/12/2018 7:28 PM
5	Beer garden, liquor licenses	3/12/2018 4:51 PM
6	Identify a unified vision of the best, most achievable future of Riverton and pursue that even if it means passing up some development opportunities. The addition of the large office building in the town center has had benefits, but its appearance and size was a poor fit with the appearance and size of the town. More importantly, it is not the type project that can be replicated, given Riverton's small size, and therefore didn't make sense as part of an overall look and atmosphere.	3/12/2018 2:18 PM
7	Bike racks	3/12/2018 2:04 PM
8	Bring in more visitors in order to attract more retail business. We need to put a pedestrian overpass for traversing Broad Street and the Light Rail.	3/8/2018 1:00 PM
9	I do not have experience in this area.	3/5/2018 9:42 AM
10	Have more local festivals or small community events, like there was during Christmas time when Santa came and there were little vendors set up, too. People always enjoy them and then they walk around and peruse shops they might not have otherwise gone in.	3/3/2018 10:27 PM
11	It would be nice to fill the vacant buildings behind CVS. Awesome building and location, just needs something to drive traffic over there.	3/3/2018 8:09 PM
12	Anything, because the current lack of effort today is obviously not working.	2/27/2018 11:44 PM
13	Allow liquor sales. Tax insensitives	2/27/2018 11:34 PM
14	Try to attract more restaurants. Better incentives for businesses to relocate here.	2/27/2018 2:19 PM
15	Change the liquor laws.	2/27/2018 2:03 PM
16	Reduce the speed limit on Broad Street 25 mph making our business district intersection far more pedestrian. Do a better job of promoting available parking, lots, etc.	2/26/2018 6:26 PM
17	Allow a very small number of restaurants to obtain liquor license	2/26/2018 4:17 PM
18	I don't drink but I think alcohol should be allowed in restaurants. Restaurants seems to be the only business that supports many of the surrounding towns efforts at revitalization and presently, Riverton has its hands tied behind its back. We need to compete and honestly look at what we need to do to revitalize our very small downtown district. The lack of a decent downtown is our biggest drawback.	2/26/2018 1:17 PM
19	Encourage more outreach to potential businesses; provide a "business information packet" as part of any application for Planning Board approvals; more welcoming of home based businesses, which is a significantly growing segment of the business community	2/26/2018 12:57 PM
20	Not sure.	2/26/2018 12:10 PM
21	Offer tax abatements to new businesses. Help develop the business district.	2/24/2018 5:00 PM
22	Honestly nothing. The businesses in town or that come to town must have something people want, and not just Riverton residents.	2/22/2018 2:33 PM

Riverton Borough Community Planning Study

23	More designated parking, promotions and events to get more foot traffic	2/22/2018 1:49 PM
24	Visit new businesses. Buy local. Create a more effective chamber of commerce. Support beautification. Advertise town. DO SOMETHING!	2/22/2018 10:21 AM
25	Lower taxes, offer what other towns offer	2/21/2018 8:33 PM
26	Unsure but there is definite potential	2/21/2018 6:56 PM
27	The brewery is a good idea....more restaurants, coffee shops, and interesting shops. Places that are actually open for foot traffic and places that are useful for such foot traffic. Places where you would be happy to bring out of town guests.	2/21/2018 5:39 PM
28	Somehow improve parking	2/21/2018 5:04 PM
29	Have a business outreach contact from borough hall to be a liason for existing businesses and work to attract new businesses. Add more signage/banners recognizing the historic aspect of town. More visibility with signage at Broad and Main St. Add planters, pay more attention to keeping areas maintained.	2/21/2018 3:50 PM
30	Allow liquor licenses. Work to recruit restaurants to town in available spaces along Main St. and Broad St. - Perhaps partner with Palmyra to promote Broad St. I believe bringing retail stores into town would be a difficult prospect, but it seems like the town could be a SNJ restaurant destination. Adding an Amazon locker at the Post Office or CVS plaza might be worthwhile - it could bring more people into town. Additionally, bike share and car share could be appealing to some residents. I think events like the Criterium also help to promote the town and increase awareness of it in SNJ.	2/21/2018 2:17 PM
31	Allow restaurants to sell wine and beer.	2/21/2018 12:34 PM
32	Speed approval process. Also, allow alcoholic beverage sales, beyond just a brewery.	2/21/2018 11:44 AM
33	Make the corner of Broad and Main the cornerstone of the town. Physical enhancements to storefronts will help. Offer tax incentives to attract new business. A microbrewery will hopefully attract a tail of new restaurant. Approving the microbrewery use was a great move by the Borough!	2/21/2018 10:33 AM
34	Brewery. Another restaurant	2/21/2018 8:24 AM
35	Better market the town through a coordinated and deliberate social media campaign, and with an updated, well managed website	2/21/2018 6:38 AM
36	Variety of stores and often closed.	2/21/2018 1:16 AM
37	Assist in trying to fill storefronts with actual stores. Several of these storefronts now have offices in them and they are in the prime business district. Example of the old impact learning store. As an office this has little value as storefront or to help develop a business district. Promote the stores that we have utilizing multimedia and town hosted events. We need a spring and fall season event to draw people into town. This is where we need to use our pedestrian accessibility and access to the train to help our businesses. The gazebo area needs to have an outside area dedicated to outside dining. You need to be able to drive through town or on the train and see something going on in town. Otherwise there is no reason to stop here and spend money.	2/21/2018 12:26 AM
38	It was a bad idea to have that office building with the post office built. There should have been a row of shops, restaurants, and offices built along Main Street to make it more like a "Main Street". CVS should have been built along Main Street to bring in more foot traffic there. Beneficial Bank should have stayed in its old location. Main Street should be more functional. Bring more restaurants.	2/21/2018 12:13 AM
39	Bring back the fireworks.	2/20/2018 10:19 PM
40	A brewery license could make a difference.	2/20/2018 9:12 PM
41	Not sure. No easy answer.	2/20/2018 9:11 PM
42	Have something like first fridays or something big to get everyone jazzed about what we offer	2/20/2018 9:00 PM
43	Attract new businesses or restaurants, boutique shops. Offer tax credits or something along those lines to help incentivize new businesses.	2/20/2018 7:36 PM
44	Advertise the unique activities we already have like Wednesday sailboat races. Turn it into some sort of community event like how Palmyra has the farmers market. Give people a reason to get off of the train at the Riverton stop.	2/20/2018 7:31 PM

45	allow limited liquor license (see above) The time has come to realize it will not be the end of life as we know it to allow a nice restaurant where you can order a nice cocktail.	2/20/2018 7:04 PM
46	They need more parking for residents and businesses	2/20/2018 6:58 PM
47	Allow limited alcohol licenses for eating establishments.	2/20/2018 6:57 PM
48	find a way to promote more festivals to bring people into town.	2/20/2018 5:46 PM
49	Need to find a way to attract restaurants. Once we get some small foot traffic on a regular basis, we could then further develop the main/broad areas.	2/20/2018 5:28 PM
50	Allow a brewery	2/20/2018 5:19 PM
51	Push the Brewery idea and support it in any way possible!!! I have seen it turn whole towns around!!	2/20/2018 5:08 PM
52	Have better parking. (clear markings)	2/20/2018 5:03 PM
53	Get rid of the train stop	2/20/2018 4:54 PM
54	Provide more parking so people will get out and walk around. Riverton's "downtown" has nothing to draw people to it. Fill it up with restaurants eateries and snack food places. The Bank-homes would make good restaurants too. Micro-brewery is a good idea and even liquor license for restaurants is good. You need to create an atmosphere to get people to come here. Imagine having dinner downtown and then take a walk down to the river.... nobody does that?? Does Moorestown have the Delaware river to draw people...NO, but we do? Does Moorestown have an attractive down-town...YES and we don't. We are dyeing on the vine. Other eateries will draw people during the day, i.e. Philly Pretzels or a Yogurt/Ice-cream place. Stop people from leaving town to eat and relax or get a snack. That river bank is a potential gold-mine.	2/20/2018 4:41 PM
55	Get rid of the train the cvs always getting robbed AND THE ROBBERS USE THE TRAIN	2/20/2018 4:32 PM
56	Focus heavily on young family programming. If the town becomes a hub for young families, businesses will naturally arive	2/20/2018 4:21 PM

16	#12 type only.....there's already too many trucks and equipment being stored all over town	2/21/2018 5:45 PM
17	No Signs, No parking areas, No trucks. We don't want to prevent anyone from earning a living and don't object to people working from their homes and running small businesses out of them. But, we don't want to see signage popping up in front of local homes or yards being converted into parking lots. We have seen signs pop up along the river from time to time (e.g., for an architect or contractor) - those signs (though small) significantly alter the character of Bank Ave. There is a large paved parking area in front of one of the Bank Ave. homes that serves as apartments - it is a blight. Likewise, there was a large box truck that was frequently parked in a resident's driveway along 2nd. We didn't live nearby, but commented that if we were the next door neighbors, we would be really unhappy about it. Even signs in windows have a negative impact on the residential character of the neighborhood. If the borough is considering allowing these types of businesses, they also need a plan to enforce whatever restrictions are put in place. People will (whether purposely or unknowingly) violate these restrictions and neighbors shouldn't have to report them. There has to be a formalized inspection process for local businesses and adequate penalties and repercussions for any violators.	2/21/2018 2:35 PM

10	The Borough had essentially neither carrots nor sticks to prevent the Dolecky properties from being demolished. 12	We are pleased that someone bought and is improving the Biddle Mansion at Bank and Lippincott. For the most part, the work appears to be of a reasonably high quality. E.g., the porch restoration seems to have been handled very nicely. However, the roof on the tower (while better than what was there) is in no way appropriate. The stucco (while it may have been the only reasonable and affordable option) is a bummer, and the changes to the apartment in the back are not in character with the original property. This house and houses like it are public treasures and their survival is critical to Riverton's future. The biggest challenge in this town is that the property values don't currently support the costs of maintaining and restoring these historic properties. I sympathize with the owner of the Biddle Mansion and the owners of other historic properties in town, but I think the restrictions on these homes should be increased.	2/21/2018 2:49 PM

1	Riverton has an incredibly nice downtown & it's really underutilized - we are closer to Philly than Moorestown, yet we give no one a reason to know we are here. Take a cue from Collingswood, Haddon Township, etc. we need more places for people to congregate, eat & work than we do traditional brick & mortar stores.	3/28/2018 12:24 PM
2	Allowing development such as CVs and adjoining buildings is detrimental to the character of Riverton and distillate a shopping district, makes it NOT unique but like every other shopping plaza along RT 130. If preserving character is important this should never had happened.	3/12/2018 7:38 PM
3	Businesses, restaurants won't succeed until you provide liquor licenses.	3/12/2018 4:55 PM
4	Thank you for doing this! It's a beautiful town and I'd hate to see it deteriorate, either by being carelessly developed or by being so protected and well-preserved that only the wealthy could afford to live here.	3/12/2018 2:30 PM
5	Traffic on Cedar Street - cars speed in both directions. The stop sign near the park does not slow cars as the cars either sail through or pick up speed going up the hill. Very dangerous. I have been told that there is no way to put a stop sign at the top of the hill at the end of the apartments. PLEASE LOOK INTO THIS.	3/5/2018 9:48 AM
6	The placement of four way stop signs has become dangerous and confusing for many drivers. There is no need to have all directions stop at the same time, and many people do not know who has the right way to go first, and even if they did, it doesn't matter when some people are quick to rush out to avoid the confusion and stalling, and then can result in a collision if another person thinks they can go. I frequently drive through the four way stop on Thomas Avenue and 4th Street and this is ALWAYS the case whenever there are multiple cars stopped. There is absolutely no sensible reason to have four stop signs there, when they only make traffic more dangerous. I have almost been hit there before and I have seen many cars almost hit each other, too. Please just choose one street to have the two stop signs and remove the other two.	3/3/2018 10:36 PM
7	Bank Ave needs improvement to make it more pedestrian friendly, whether through the addition of speed humps, a walking path on or next to the road, or uniform appearance along the river side of Bank Ave.	2/27/2018 11:50 PM
8	It might be good for Riverton to come up with a theme or general direction they want to go as a way to attract business. For example, Collingswood is known for their restaurants & shopping; Moorestown for it's historic downtown & shops; etc. Riverton could also be known for its historic downtown, cute shops (maybe antiques?) and restaurants. Depends on how it's advertised and designed/zoned to attract those things.	2/27/2018 2:33 PM
9	I understand some residents would like to see a dog park carved out of a portion of Riverton Park. If this enclosure does not comprise a significant size it will function as a little more than a dog bathroom similar to what Palmyra constructed in their town. That is not a dog park and something we don't need in Riverton. There are several well thought out dog parks in our immediate area. The closest was completed in Morrestown just this past year. It is very functional and of a minimum size to achieve the goal of exercising your dog.	2/26/2018 8:34 PM
10	I would like to see a public plan for street paving. I made a complaint about my street a number of years ago, specifically regarding the area right in front of my house, because a small lake develops in the street along our curb with any amount of precipitation (all the rundown ponds in front of my house). I was told that we'd have to wait a couple years. Not long after that, pipes were replaced and a small area was repaved along the curb, which made matters much worse. I complained again, and no one was able to help. I'd really like to see a budget and a plan for our streets, as well as fair way to communicate and request specific projects to ensure our properties and are surrounding areas stay valuable and appealing.	2/22/2018 11:40 PM

12	Being open to residents with vision and a desire to help the town be a better place to recharge from life. Better follow through on actions needed to achieve goals. Evolution is a necessary and unavoidable process in life. There seems to be little ability to pivot, understand and evolve and a rigid "stay the same" mentality that combats any inspired resident. I am not a joiner or pusher or visionary, but those who are should not have their enthusiasm squashed. These are the people who pick up the trash, care about the town and could be a valuable resource.	2/22/2018 8:23 AM
13	Please share the results of this survey with everyone.	2/21/2018 11:50 PM
14	I see no reason why Riverton has not approved the dog park. It seems crazy to me as this not a novel idea- every other town has one.	2/21/2018 11:30 PM
15	Addition of a farmer's market, dog park was a good idea, more active sailing/boating community, activities can draw others from surrounding areas (think how Brooklyn has undergone a renaissance!) Stockade fences are horrible! Plant more trees. Speed bumps for streets near the park.	2/21/2018 5:52 PM
16	More efforts like this to involve the community would be great. Also fundraising efforts for town improvements might be worthwhile. Perhaps Riverton could build an endowment like Universities have. One other thought is that the town should work with homeowners to improve their curbs and sidewalks at a discounted group rate. I looked into repairing our curbs where the front loaders have smashed them up, but the cost was prohibitive. I have to believe that the town could negotiate better rates and perhaps help to offset those types of repairs for homeowners. Likewise, there are many sidewalks in town that are missing or in disrepair. What if the town had an 'annual curb and sidewalk sale' during which homeowners could get slabs of walkway or curbs repaired at a set (discounted) rate?	2/21/2018 3:01 PM
17	Remove 4-way stop sign intersections and make them 2-way stop sign intersections, being consistent with stop sign placement (e.g., all placed crossing the heaviest traveled streets).	2/21/2018 11:56 AM
18	Improving the business district, specifically Broad and Main, is top priority in my opinion. 21	After/If the limited brewery opens we should evaluate what other restaurant, cafe or businesses will work to support the business district. I believe the brewery will provide the momentum shift and we would need to have a plan to keep it going. Again we need to promote our heritage and river accessibility. Pedestrian friendly and promoted events are keys to success. People need to know our town is awesome everyday not just July 4th.	2/21/2018 12:42 AM

24	Consider implementing loan programs to encourage duplexes and other multi unit "houses" to be brought back into single family home status. These could be low or no interest loans backed by the property and repaid on a sale. I think Collingswood had a successful program along these lines. Find a way to get rid of multi unit properties along Bank. Try and find a way to encourage them to become singles again. find an appropriate place to have some higher density higher quality new residential like apartments. maybe some three story residential over retail along Broad or at corner of Broad and Main. Higher quality apartments get high rents and don't generate school kids and are excellent rateables.	2/20/2018 5:55 PM

28	What I love about this town is its quiet, walkable, old Americana feel where kids still rove about on bikes together, and folkswalk their dogs, talk to their neighbors, get excited about 4th of July and community events. We need to keep people interacting, on the street, at events, as part of civic projects. Keeping open space, breatheable air, places to walk and show off to out of town friends... a small brew pub would be great to increase our "night life" just a bit... nothing crazy... but a space where we can have live music, meet for fun or for a civic event. The church on the corner of Penn and 3rd will be for sale in a few years... the congregation is dwindling. What a great place for a community center. A place for evening events, showing educational documentaries, community meetings etc. Opportunity there.	2/20/2018 4:21 PM
