Dear Residents,

We start 2022 full of promise for better days ahead. Covid-19 restrictions appear to be easing as vaccinations increase and cases decrease. We urge you to continue to take the precautions you feel are necessary for your health and safety.

Our new and improved website will be launched soon. All Borough information you need will be available with an easier to navigate format. The Borough will soon begin to use a new communication tool called "Nixle." Look for the "Nixle" logo on our website and social media posts to sign up for alerts from the Borough by your choice of text, phone call or email!

Our Borough Council and Planning Board meetings continue via Zoom and/or conference call for the time being. Instructions are on the website or call Borough Hall for instructions.

Town events such as the Food Truck Nights, Treasure Day, the 4<sup>th</sup> of July and the Christmas Village are all planned for this year. Check our website, Facebook and Instagram for details as they become available.

Should you have any questions or concerns, please feel free to contact me or any member of Borough Council. All contact information can be found in this directory.

Sincerely,
