

Environmental Commission/Green Team Monthly Meeting February 2024

Dear Neighbors:

It's planning time! We look forward to working on environmental and sustainability issues with you in the coming months.

Upcoming Meetings

You are invited! This month, we will hold a joint Environmental Commission/Green Team Meeting in-person at Brewery 33 (601 Lippincott Ave) on Thursday, February 15, at 7:30PM. Bring a neighbor!

Some agenda items include:

- Sign-ups for committees such as events, communications and grants, speaker series, plantings and rain garden maintenance, and Sustainable New Jersey certification. We need your help!
- Discussing the budget we will submit to the Borough Council.
- Hearing reports from the Borough Council and Planning Board.
- And more! There will be opportunities for everyone to share what issues they care about most.

If you know a neighbor who may want to sign-up for the Environmental Commission and Green Team monthly email, they can do so by texting the word NEWSLETTER to 888777. They will be prompted to share their email address.

Resources

Wishing it were time to get planting? Considering planting a log! Logs and branches provide great free visual interest in your yard, AND they are beneficial for pollinators (which pollinate crops we eat!) and other wildlife! Learn more here from the Xerces Society:
