

Borough of Riverton, NJ
Historic Preservation Commission

**Parcels which are subject to oversight
by this Commission**

Document adopted 5/21/2024

This Commission has oversight of all parcels within the boundaries of the 1998 Riverton National Register Historic District, plus 11 Bank Avenue and 408 Thomas Avenue.

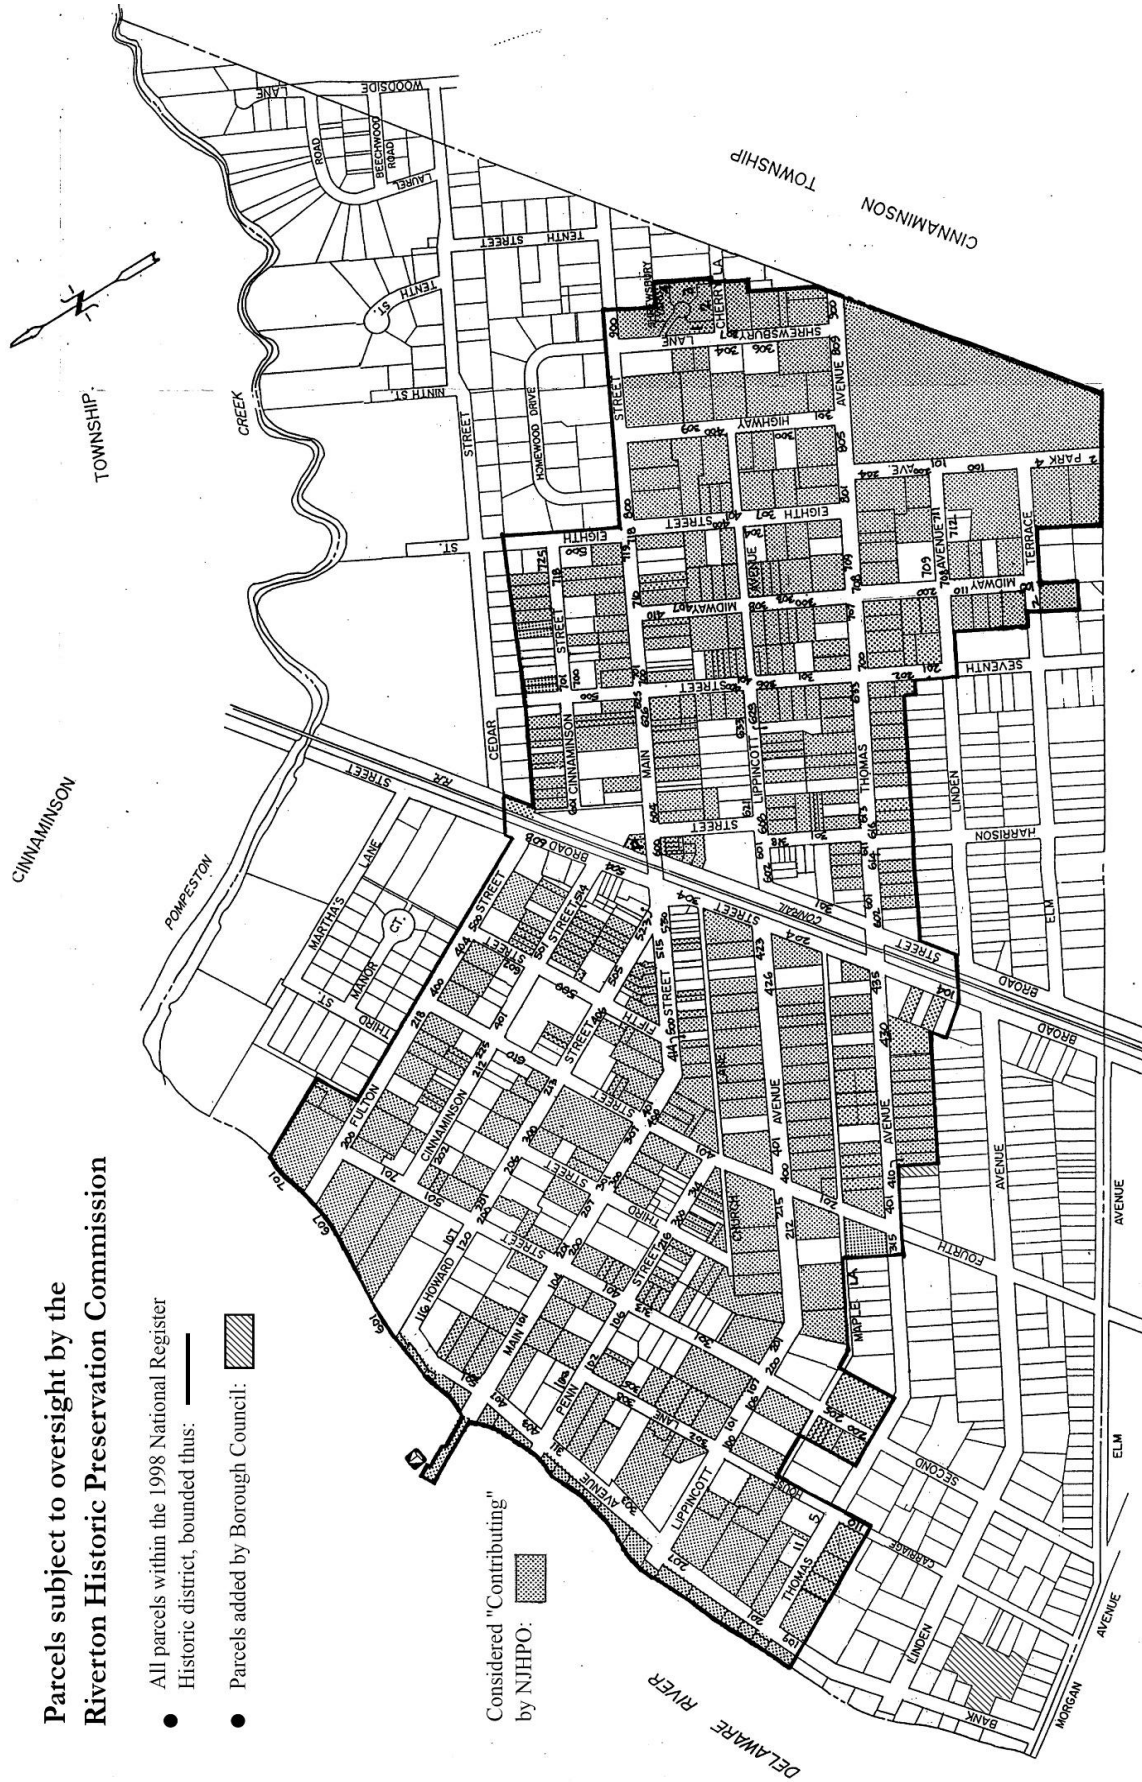

This is the initial definition established by Borough Council on October 11, 2023 by Ordinance # 2023-05A which became § 128-41A. The **map** and **parcel listing** below repeat the sites and data as set forth in that definition, i.e. those originally certified by the New Jersey State Historic Preservation Office on November 23, 1998, plus the two additional parcels.

At this time, no revisions have yet been made to account for changes on the ground since 1998, apart from correction of minor typos and addition of the two properties specifically identified in the ordinance. Until such an update is completed, users are cautioned to confirm accuracy before using this data.
