Our goal is to clear the roads, so they are as safe as possible. Snow is removed curb to curb.

PLEASE:

- Park your vehicles in your driveway.
- Park your vehicles on the odd side of the road to assist in street plowing.
- Once plowed, please move vehicles to the even side allowing the road crew to finish the plowing.
- Keep the curb line clear of garbage cans, branches, portable basketball nets, and vehicles.
- Consider shoveling your driveway out after your street plowing has been completed. It cannot be helped that plowing area roadways may cause snow to block driveways.
